# ANTHONY'S STORY

REDEMPTION + COMMUNITY + PURSUIT OF JESUS

When I first came to Oceans, I instantly knew I was home. My first time being there I felt like I really encountered Jesus for the first time. The way Pastor Michael displays the pure love of Jesus is irreplaceable. Since being part of the congregation and the serve team, my life has changed drastically. The lifelong friends I have made in such a short time through Oceans' amazing young adults ministry is nothing but the Lord providing community when I had none. The connections are so real in this congregation and various outreach ministries; it's unlike anything I have experienced. Everybody is just so on fire for Jesus, and having those people and role models around me has grown me so much spiritually.

The Lord has opened so many doors and answered prayers in my life through Oceans and Pastor Michael. One of them is getting involved with the children's ministry; it is just such an honor to serve and do ministry alongside such godly people. With all that being said I was suicidal just a week before walking inside the walls of Oceans. The Lord had crazier plans than I could imagine and has used Oceans directly to accomplish those plans. I'm forever grateful for Pastor Michael, Pastor Jaime, and the whole Oceans congregation!
